

## Mobile compact filter Plug & Play – installation

We now set new standards for how easy-to-operate and efficient a compact filter can be.

The filter has an elegant and timeless design which can be fitted into existing production environments and facilities.

- Simple and fast installation – Plug & Play
- Compact construction
- Low-noise
- Up to three collection bins of 165 litres
- Integrated pre-separator inlet
- Low operating costs
- Efficient and compressed air cleaning
- Set it & forget it: minimal maintenance
- Also suitable for outdoor assembling under cover

### Options:

- Fire fighting
- Frequency transformer / variable suction
- Constant suction / PID-regulated
- Arrestance filter vs. outlet  $\varnothing$ 200-400 mm
